### About Shivnagar Vidya Prasarak Mandal (SVPM)

SVPM, Malegaon (BK) is premier frontline management to serve quality education to the rural society in Maharashtra, which is dynamic vibrant and growth oriented, established in 1972, under the able and dynamic leadership of Hon. Shri Sharadchandraji Pawar; President – SVPM, with Hon. Shri. Ranjankumar Taware Vice-President – SVPM. SVPM campus is spread over in about 18 hectors. Mandal Provides education and training facilities to diploma, graduation and master in the field of Pharmacy, Engineering, post graduation in Management additional to primary & higher secondary education. Government of Maharashtra & other statutory bodies approved the entire educational programmes under groom of SVPM. Mandal has association of ideas of eminent personalities from all related fields, their rich experience and ideas contribute to build the institutes at national level. Over the span of two decade establishment stand proudly on strong and unshakable pillars of efficiency, discipline, hard work and promising all the trust and amity. SVPM is one of the campuses, which has embarked upon a massive campus design for its students. Land has extensive green cover creation with rare species of trees and numbers of lawns.

### About SVPM'S Institute/College of Pharmacy

The learning environment for any academic is as crucial as pedagogy itself. While many institutions impart pharmacy programme in very functional manner, SVPM's Institute of Pharmacy has taken the concept miles ahead. Institute of Pharmacy was founded in 1994 to polarize with changing technologies very rapidly. College offers D. Pharmacy, B. Pharmacy, M. Pharmacy course. SVPM's Institute & College of Pharmacy, Diploma course is fully affiliated to MSBTE, Mumbai, Degree & Master course is fully affiliated to Savitribai Phule Pune University and all courses are approved by Government of Maharashtra, AICTE (New Delhi) and recognized by Pharmacy Council of India (New Delhi).

An impressive infrastructure perhaps none other has been setup, giving it combines advantage of cheerfulness, international standards, ecofriendly and student centric. College & Institute of Pharmacy provides many facilities for group academic activities, presentations, study preparations and placements. The institute is well developed in terms of infrastructure and faculties with rich academic, industrial and research experience. The laboratories are well equipped with state art of equipment in its departments. The college is actively pursuing co-curricular activities like national level seminars, industry-institute partnership cell, and extracurricular activities including cultural events and state level sports.

### Abstract submission and poster specification
